

Meeting last approx. 45 mins

Attended by everyone

Written by AM and typed up by BG

Questions to ask Matt:

- Client Meeting!!
 - Can we send emails to confirm identity?
 - What server? Is using IBM Cloud a requirement?
 - Sprint 1 specifics?
 - Is project so far okay?
 - Can we use free online templates for our web pages? - Not the assets only the structure
- Client ask questions?

Team Meeting Stuff

- Frontend vs Backend
 - Clair frontend
 - Bethany backend
 - Kanban board Updated
- No more keys (use credits/points)
- Loot algorithm needs to know previous cards
- Harry - Quiz bank
- Can project run?

Main parts needed:

1. Login
2. Quiz
3. Rewards
4. Forum

Other Stuff

- Still need server stuff
- Managing jobs on Kanban board
 - Merging Cheng's tasks
 - Splitting frontend and backend webpage
- Integrated GitHub and space repositories
- Annabelle needs to move base avatar to GitHub!
- Beth looting algorithm update
 - Removed checking for guarantee for now
