Meeting lasted approx. 30 mins

Attended by everyone

Written by AM and CN, typed up by CN

Minimum for sprint 1:

- welfare quiz
  - qualify what 1 means and what 10 means ie. 1 is the best/worst youve ever been 5 is an average etc
  - points for responding daily
  - popup reminder
    - compare date of last quiz to current date for reminder
  - user can view quiz results?
- study notes
  - upvote/karama system for points
- maybe prototype quiz?
  - questions time consuming to add
  - teacher participation difficult
  - potentially later sprinter
- register/login
- pick focusing on competition or notes to start

gamification

- start with only quiz and card
  - eventually add leaderboard
- card draw

design theme?

attractive to website?

- study notes

home page before registration
